# THE HISTORY OF MAIL ORDER BRIDES

## WHO ARE THESE GIRLS

This is a widely used term, but there are a lot of misconceptions and myths, at least about modern foreign brides, so let's talk about how things really work in more detail. In the 16-17th century, mail order brides were women who agreed to marry foreign men (in particular, American settlers) and got payments for their migration. Of course, they've never met their future husbands before they arrived in the United States.

# WHAT IS THE MAIL ORDER BRIDE?

In the modern world, none of these scenarios is possible. A modern mail order bride is a single woman who wants to start a family and is looking for a foreign husband. She's also ready to migrate if she meets someone special and he'll propose to her.

However, she doesn't receive any monetary compensation, there's no financial motivation—a couple meets on one of the online dating platforms (mostly niche sites for mail order brides and western men) builds a long-distance relationship, then meets in person (in most cases, a man goes to a bride's country) and then decides to get married.

# WHY TAKE A MAIL ORDER BRIDE FOR A WIFE? (P.1)

01

# WHY TAKE A MAIL ORDER BRIDE FOR A WIFE? (P.2)

03

## MAIL ORDER BRIDE WILL BE GRATEFUL TO YOU

All foreign girls are ready for difficulties and appreciate the deeds that men do for them. You will feel the appreciation of your mail order bride daily, and it will make you happier

04

## HOLD ON TO ROMANCE WITH A MAIL ORDER WIFE

A mail order bride is always a bit of a mystery to her groomsman. You will never be able to understand it fully, and that's great.

# HOW TO GET A MAIL ORDER BRIDE?

01

## CHOOSE A FEW MAIL ORDER BRIDE SITES

Try the free version and stop at the mail order bride sites that are comfortable for you.

02

## CREATE PROFILES ON MAIL ORDER BRIDE SITES

Remember that not only do you choose but you are also chosen at a mail order bride service. Your profile on a mail order bride service is a kind of LinkedIn page where you have to show your best qualities

03

## BROWSE THE MAIL ORDER BRIDES CATALOG

Chat with different foreign women. It is advisable to have 2-4 other foreign mail order brides in your correspondence to work out one match definitely.

04

## KEEP MAIL ORDER WIVES' ATTENTION

To do this, use the mail order bride services. At first, you can limit yourself to basic mail order brides services, but we recommend moving on to more advanced mail order bride services: virtual and natural gifts, video calls, meetings.

# HOW TO ATTRACT MAIL ORDER BRIDE?

01

## BE POLITE AND KIND

This is a simple rule that many people forget about on the Internet. The Internet gives us the opportunity to communicate more boldly, but this does not mean that you should be rude if you did not like something. Stay always neutral

02

## WRITE AS YOU WOULD SAY

Create an intonation for yourself and imagine that you are telling her that. Could you say that? If yes, then write.

03

## WRITE MORE

Write about yourself, ask questions and don't leave her with vague answers like "How r u?", "I'm ok, thanks". This is not the best way to get to know each other.

04

## SKYPE

If you are not a writer or you just chatted enough, be sure to call Skype or instant messenger. Firstly, this will allow you to make sure that this is a real person and that it matches the photos and description. If she refuses to show herself, this should alert you.
